CARE AND MAINTENANCE

Follow the instructions for use of the product material to ensure that the product remains in the best condition for as long as possible. The following information is intended as a general guideline only. For further information, please feel free to contact us.

- * Rinse thoroughly with water to wash away dirt and dust. Never use abrasive cleaners on furniture as they will erode the surface and leave scratches.
- * For stubborn dirt and stains, use a soft sponge and mild soapy water. Then dry with a cloth or paper towel.
- * Check the stability of screws, nuts and nut covers before each use. Then tighten as often as needed after one to two months of use.
- * Avoid improper use and be careful not to scratch or damage surfaces with sharp objects.
- * When moving furniture, lift it rather than pulling or pushing it to avoid damage to the floor, legs and mounting.
